Job- offer: Assistant to TACIS Project Management

The Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ) GmbH has provided technical assistance worldwide for more than 30 years. In Russia, GTZ has supported the transformation process for since the early 1990s. Amongst others, GTZ office Moscow has implemented complex projects for the European Commission in the CIS region.

GTZ office Moscow is now looking for a motivated project assistant for the project management of a major TACIS project in Russia. The assistant will support the project manager in all phases of project implementation. The job is based in Moscow and limited until January 2009.

Profile:

University degree

Ability to work under strict deadlines

Fluent in English, Russian and German

Experience with TACIS projects would be a strong asset.

We are looking forward to receiving your application by 29 September 2006. Please send your application letter and CV to:
