

Scholarship Call for Applications - Summer Program 2005

Amsterdam/The Hague – Berlin – Copenhagen – New York/Washington D.C.

June 3rd to July 6th 2005, September 24th to October 2nd 2005

Humanity in Action (HiA) is an international organization that brings together European (Danish, Dutch, German and various Central and Eastern European) and American students with an active interest in human and minority rights and the exchange of experiences in defending and enhancing them. The organization is devoted to the study and betterment of human rights and specifically the relationship between majority and minority populations.

We invite applications from students with not only an eager interest in analysis and discussion but also in grass root project work. The summer program is designed to provide a starting point with regard to issues of human and minority rights. The intense core program will be followed by projects within the senior-fellow-network based on the fellows' initiative and commitment.

Applications are expected by January 15th, 2005
